Copyright Disclaimer

All content © 2022 Oz Industries Forecasting. All rights reserved.

This includes all course materials, website design, layouts, forecasts, recorded consults, graphics, and any related intellectual property.

Our content is provided exclusively for the personal use of subscribed members and clients. It must not be copied, transmitted, reproduced, plagiarised, or distributed in any form – whether electronic, verbal, or printed – without the express written consent of Oz Industries Forecasting.

In particular, redistribution of our forecasts, insights, or training materials to third parties (such as clients, colleagues, or business networks, including but not limited to agronomists, consultants, or advisory services) is strictly prohibited. Our intellectual property may not be repackaged, resold, or presented as part of another service offering.

You may not alter, adapt, or modify any of our content in any manner. Any unauthorised use, sharing, or commercial exploitation of Oz Industries Forecasting materials will be treated as a breach of copyright and may result in the suspension of membership and/or legal action.

Not Financial Advice Disclaimer

By using our services, you acknowledge and agree to the following:

- All material on our website, social media, Discord, or personal consults is provided for **informational purposes only**.
- Nothing we provide constitutes financial advice, a recommendation, solicitation, or an offer to buy or sell any security, commodity, cryptocurrency, or related financial instrument.
- Our content reflects speculative opinions, ideas, theories, hypotheses, and technical analysis, which carry **no proven accuracy** and do not guarantee results. Past performance is not indicative of future outcomes.
- Trading and investing are inherently high-risk activities that can result in the loss of all capital. You should always conduct your own research and consult a licensed, qualified financial adviser before making investment or trading decisions.
- Oz Industries Forecasting is not a financial adviser, broker, or licensed trading entity. We do not endorse or recommend specific brokers, exchanges, or financial products.
- We accept no liability for any loss, damage, or decisions made based on our content. You remain solely responsible for your own trading and investment choices.

Oz Industries Forecasting reserves the right to update, amend, or change information without notice.
